

## 5 Mind Blowing Facts Your Physiotherapy Clinic Must Know

1. One in 20 Google searches are for health-related information.
2. 31% of cell phone owners, and 52% of smartphone owners, have used their phone to look up health information – that's more than 80%!
3. 71% mobile searches use click to call a business directly.
4. Click to call trends are **growing 19%** per year.
5. Calls are 10X better than clicks.

Where do you rank in this competitive market?  
Is your clinic getting the traffic, clicks and calls?
